## Minutes of a Full Council Meeting of St Columb Major Town Council, held in the Council Chamber, Town Hall, St Columb Major, on Tuesday, 4<sup>th</sup> February 2020 at 7.00pm.

**Present:** Cllrs P Wills (Mayor), Mrs B Rogers, B Daniels, Mrs F McLeod, S Allen, Mrs F Fuery, E Culley

**In attendance:** One member of the public and Mr M C Uren (Town Clerk)

### 239/19 Mayor's Welcome:

Cllr Wills welcomed everyone to the Meeting.

### Housekeeping:

The Mayor addressed Councillors and members of the public, giving advice on emergency procedures, asking that all mobile 'phones be switched off, or turned to silent.

### Announcement and Diary Dates:

The Mayor's Report (also incorporating the County Councillor's Report) was presented by Cllr Wills:-

"Since my last report, I met with Mr Juszczak, as the Council requested, and put to him and his wife our suggestion for a Disabled Parking Bay outside of Number 8. He was delighted and accepted. Since then, he has let it be known that in fact, he now will park in the Residents Parking Area, and no longer requires a reserved parking space.

I have requested, from Cornwall Council Enforcement Team, some early morning and late evening patrols from the Dog Warden, to try and catch those who are not picking up after their pets. There has been a spate of dog fouling in the centre of town recently. The Cornwall Council Enforcement Manager, Zoe Hall, is meeting with the Clerk and I next week, to discuss this and other issues.

I attended a meeting in Bodmin with the Portfolio Holder for Transport, where Councillors were briefed on the new parking charges being introduced shortly. An extra ten pence on the hour will be brought in as from April, at all Cornwall Council Car Parks.

I attended a meeting of the Customer and Support Services Overview and Scrutiny Committee at New County Hall. This was a Committee Training Session, and we also heard from Commercial Services and the Climate Change Action Plan – Nick Hayden and Mark Holmes - a look at the actions under the remit of this Committee, and how scrutiny can add value.

On Saturday evening I attended the St Columb Major Rotary Club President's Dinner, at the Hotel Bristol, where I and the Mayoress represented the Town Council".

**240/19      Public Forum:**

There were no questions put forward.

**241/19      Report from County Councillor and Police:**

The County Councillor's Report has already been given.

The Town Clerk presented the Police Report:

"Apologies PCSO Parry – day shift, PCSO Burgess – rest day

Eleven crimes reported this month of January 2020.  
Same time period last year we had 21 crimes reported.

As listed below:

1. Harassment
2. Common Assault
3. Common Assault
4. Common Assault
5. Common Assault (last three Common Assaults linked to one incident)
6. Malicious communication
7. Racial harassment
8. Criminal damage
9. Harassment
10. Death by dangerous driving
11. Assault

This month the Local Policing Team are actively dealing with issues of vehicles being parked on pavements, causing members of public to go out into the road.

We would also like to remind local dog owners, that if you are walking through public rights of way, through farmland with livestock present, your dog must be on a lead.

To remove any dog mess, and dispose of it correctly in a bin, and not leave dog mess bags thrown up in the hedges, or in the field itself.

We have had several complaints regarding this issue, and we have been patrolling the areas concerned.

It is the start of the busy lambing season, and the ewes will see any dog as a predator.

Regards.

Anita Parry PCSO St Columb Major.

Some consultee comments had been received, and these have been taken into account with these matters. Basically, all that is happening is a "tweaking of certain aspects of the plan". Planning approval has already been granted.

Cllr Wills proposed, Cllr Mrs McLeod seconded, and it was RESOLVED unanimously to support the Application.

**PA19/09612 – Extend Parking Area – Land off Trekenning Road, St Columb, Cornwall – St Columb Major Town Council**

Cllr Wills advised that we have received correspondence from the Planning Officer, together with a letter from the Tree Officer. The Town Clerk read the Tree Officer's letter. After much discussion, and in light of the Tree Officer's comments, Cllr Wills proposed, Cllr Culley seconded, and it was RESOLVED unanimously to scrap the idea of extending the car parking area opposite the Doctor's Surgery.

**PA20/00742 – The continued use of the holiday unit permitted by application number C2/04/00892 as a dwelling house – Swallows Return, Blackacre Bungalow, St Columb, Cornwall – Mr and Mrs P Emery**

This is a new Application which has been received today. Given its location, and the nature of usage, no Member could see any problem with this Application.

Cllr Wills proposed, Cllr Daniels seconded, and it was RESOLVED unanimously to support the Application.

**247/19**      **V E Day Commemorations – 8<sup>th</sup> May 2020:**

Cllr Wills advised that the Concert, to be held in the Church on 8<sup>th</sup> May 2020, will have Nankersey Male Choir performing, together with the Redruth Town Band. The format will be similar to the last Concert, whereby in the first half the Choir and Band will sing and play pieces from the Second World War, and in the second half, pieces from films of the Second World War. The Finale will again be everyone joining in with Rule Britannia, Land of Hope and Glory, and Trelawny. We may make a small charge for the Concert this time. We will this time be celebrating not only VE Day, but also VJ Day, and the 100<sup>th</sup> Anniversary of the Town War Memorial (30<sup>th</sup> June 1920).

Cllr Wills also mentioned about the possibility of buying Commemorative Mugs for the children at the Academy. This would be similar to what we did five years ago. He showed Members pictures of what the Mugs would look like. The Mugs will cost just under £2 each. The Academy currently has 379 students on roll. After some debate, Cllr Wills proposed, Cllr Mrs Fuery seconded, and it was RESOLVED to buy 500 Commemorative Mugs. Five voted for; one voted against, and there was one abstention.

**248/19**      **Smallseum:**

There was nothing further to report on the Smallseum. See comments under Item 244/19.

**249/19**      **Review Library's Opening Hours:**

Cllr Wills reported that we have not had a very large response on the Library's Questionnaire – about a dozen in the box in the Library, and two on-line. The consensus of opinion is to "keep as is" the Library opening hours. Cllr Wills proposed, Cllr Culley seconded, and it was RESOLVED unanimously to keep the Library's hours as they are now, and to review in twelve months' time.

**250/19**      **Trekenning Road Car Park – Resurfacing:**

Cllr Wills gave an update on exactly where we are regarding the resurfacing of Trekenning Road Car Park. The Town Clerk read out the figures to Councillors from the three tenders received. These incorporated both the Phase 1, and Phase 2 costs for the work.

Cllr Wills explained that we have received £25,000 from Cornwall Council to help in financing this project. After some considerable discussion, especially with regards to the unexpectedly high costs

involved, it was agreed that we should actively seek further tenders. It was also agreed that we need an options breakdown of exactly how the project could be funded. Bearing in mind the time factor, it may be necessary to call an Extraordinary Meeting to discuss this matter, prior to the next Full Council Meeting.

**251/19**      **Provision of Additional CCTV Cameras:**

Cllr Wills spoke on this matter. Currently there are no cameras covering Fore Street, from the Town Pump down to the Post Office. To this end, we would be looking to install two new cameras. Actual sites still have to be agreed with property owners, and to optimize coverage. It was also thought appropriate to install another camera somewhere in West Street. This area is renowned for dog fouling. The cost of each camera is about £300.

It was also mentioned that the current CCTV software system needs to be upgraded. The system has been installed for well over six years. The cost to carry out the upgrading, and including the new cameras, is £2,686.00 plus VAT.

Cllr Mrs McLeod proposed, Cllr Allen seconded, and it was RESOLVED to upgrade the current CCTV system, and install three new cameras. There were five for, one against, and one abstention.

At this point Cllr Daniels left the room.

**252/19**      **Remuneration of Town Councillor:**

The whole question of whether we can remunerate a Town Councillor was discussed. There are a number of problems associated with this. The Town Clerk read out a letter he had received from the SLCC. It is possible to grant honorariums. After some further debate, Cllr Wills proposed, Cllr Allen seconded, and it was RESOLVED that each of the Councillors concerned will be offered an annual honorarium of £300. Five voted for, with one abstention.

At this point Cllr Daniels returned to the room.
